message to each of said plurality of gateways to obtain a trace route; ranking the plurality of gateways based on the trace route of each of said plurality of gateways translating an identifier of a destination of the call from a listing of telephone numbers and associated internet protocol addresses in the directory service; selecting a gateway with highest ranking from the plurality of gateways and attempting to route the call over the selected gateway within a structure of the claims 31 and 35.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
